## **REMARKS**

As discussed with the Examiner in a telephone conference on Wednesday, February 26, 2003, the appellants request claims 13 and 14 be cancelled in an effort to bring the application into a better condition for appeal. The limitations recited in these claims were already incorporated into claims 1 and 2 by a preliminary amendment mailed on June 24, 2002. Claims 13 and 14 should have been simultaneously cancelled in this earlier amendment but were not because of an oversight.

If a further telephone conversation would be of assistance in clarifying the situation, undersigned agent invites the Examiner to telephone at the number provided.

Attached hereto is a marked-up version of the changes made to the specification and claims by the current amendment. The attached page is captioned <u>"Version with markings to show changes made"</u>.

Respectfully submitted,
